

Hello Pre-Pro and BLC Requiem Dancers!

James Sewell Ballet Company, a professional dance company from Minneapolis will be performing in Winona at the Page Theater on Saturday, March 28th at 7:30pm. We would love for our students to be able to see this special performance, and have a group pricing opportunity to offer you. We can receive a 10% discount off the full price if we place a group ticket order with at least 10 in our group. In addition to the discount, a benefit to the group ticket option is that our group can be seated together :)

This offer is for all BLC Requiem and all Pre-Pro students and families. Advance payment is necessary in order to book the group reservation. If you would like to purchase tickets with the group, please bring payment along with the following information in an envelope (labeled "James Sewell Ballet Ticket Order) to MDU's front desk by Saturday, 2/22:

- **Ticket Type and Quantity** (adult, senior, youth, student)
- **Names** of attending students and family members
- **Cash or check** with the 10% discount amount (on the right-hand column below) *to Amanda Schams*
