

Ballet LaCrosse™ MISTY'S DANCE UNLIMITED

The mission of Ballet La Crosse is designed to increase exposure to and appreciation for classical performing arts in the community as well as to provide opportunities for area youth to gain training that mirrors that of the professional world.

Ballet La Crosse produces two performances each season. The first is a full-length story ballet, which takes place in the fall. The second is a shorter mixed-repertoire show that takes place in the Spring. Previous performances include Marushka, Heidi, The Little Princess, The Little Mermaid, Cinderella, Mozart's Requiem, and more.

**Our next production of Heidi will take place at the
Weber Center on November 15-17, 2021.**
