2023-24 PROGRAMMING GUIDE

At MDU we aim to help our students achieve excellence in **DANCE + LIFE**. That is our More Than Just Great Dancing!® philosophy and at this time in history, that's more important than ever before!

Welcome to the 26th Anniversary of Misty's Dance Unlimited (MDU)! We are thrilled to celebrate this milestone with our community, our dancers, their families, and our dedicated teachers.

From your child's first class to their graduation performance, your child will thrive at MDU because at MDU, dance classes are More Than Just Great Dancing!® Our dancers go beyond technique to develop important life skills, learning to be respectful, confident, and conscientious young people who share their gifts and talents with the community.

At Misty's Dance Unlimited, we believe that dance is not only a beautiful art form but also a powerful tool for personal growth and development. Engaging in dance provides many physical and emotional benefits that go well beyond the classroom.

Dance strengthens muscles, enhances flexibility, improves coordination, and cultivates endurance. Yet, dance is more than just movements; it touches the heart and soul! Our studio provides children with what social scientists call a "third place"—a place outside of school and home where they are loved, challenged, encouraged, and accepted. Dance can inspire and uplift, providing an outlet for emotions and fostering a deep sense of joy and fulfillment—something which is crucial for children growing up in a social media world.

In addition to the physical and emotional benefits, dance instills invaluable life lessons that extend beyond the studio walls. **Dance teaches discipline, resilience, teamwork, and time management skills.** It instills confidence, boosts

self-esteem, and promotes a positive body image. The camaraderie developed among fellow dancers creates a support system that lasts a lifetime. These lessons extend far beyond the stage, equipping our dancers with the tools they need to succeed in any endeavor they pursue.

To achieve optimal development and truly reap the rewards of dance, we encourage you to embrace the opportunity to take class multiple times per week or to join one of our Performing Groups. Regular practice provides consistency and reinforces technique, allowing you to refine your skills and progress at an accelerated pace. Each class builds upon the previous one, and through regular attendance, you will gain a deeper understanding of the art form and witness the greatest growth inside and out.

As we commemorate the 26th anniversary of Misty's Dance Unlimited, we applaud all of our dancers, instructors, and families for being part of this incredible journey. Thank you for choosing us as your dance home; whether you are taking your first class or preparing for your senior year, we say,

"Welcome Home!" At MDU, you are family.

STUDENT LEADERSHIP PROGRAM

We are committed to providing leadership training for our students beyond the dance classroom. To that end, students may apply in August for the following opportunities:

Age 9+ - Classroom Helpers assist teachers with students throughout our younger classes.

Age 12+ - Classroom Assistants work with teachers in the classroom with more responsibilities to prepare them for teaching one day.

Age 16+ - Junior Faculty (JFAC) are able to sub for classes, teach at community out-reaches, give private lessons for reduced rates and receive added leadership training. This is a great intro to teaching.

Dancers in Level 5+ - We are always looking for classroom demonstrators in Ballet, Tap, and Jazz 1-3. Demonstrators take the class and show the skills to students.
