## PROGRAMMING GUIDE

# From your child's first steps... to their graduation performance.

Misty's Dance Unlimited (MDU) has built a reputation for excellence in dance instruction! MDU has a class for everyone. We specialize in beginners of all ages and offer training through pre-professional levels. Our classes are taught by caring, skilled teachers in a positive environment. We delight in your child's progress and performances! Our costumes and choreography are always age appropriate and your child's safety and wellness has always been our highest priority.

**"We don't teach kids to make great dancers,  
we teach dance to make great kids"**

—Misty Lown

At MDU we aim to help our students achieve excellence in **DANCE + LIFE**. That is our More Than Just Great Dancing® philosophy and at this time in history, that's more important than ever before!

**Dance meets imperative student needs** for community, socialization, friendship, mentors, physical activity, and more! The benefits of dance include, but are not limited to: intellectual, academic, social-emotional, and physical support.

At MDU, the **health and safety** of our students, staff, guests, and communities have always been our highest priority; a commitment that has only been heightened at this time. That's why we have used local and national guidelines to inform our best practices for service in the coming season.

**We have also expanded our services to meet student needs by offering “5 Ways to Dance”:**

- ✓ Private lessons (online/in-studio)
- ✓ Semi-private classes (6 to 9 students)
- ✓ Traditional classes (10+ students, as permitted)
- ✓ Live online classes (specific time, dance at home)
- ✓ Pre-recorded classes (personal time, dance at home)

This brochure contains our schedules for school year private lessons, semi-private classes, and traditional classes. Registration begins on Saturday, June 6. Private lessons and traditional classes registration are ongoing, but semi-private class registration will end on July 1. Our online class and pre-recorded fall class offerings will be developed over the summer with a registration later this summer. Class teachers will be announced before the start of classes.

**In the meantime**, we will be thoughtfully working our way towards a new normal over the summer months; kicking off our re-entry with 1-to-1 service at our Red Carpet Recitals and working our way back towards traditional classes beginning August 17. As you look at our calendar, you'll note that we have included two inter-sessional breaks to allow for greater programming flexibility should that be needed this year. Please note that class times and offerings may shift as things progress. We are planning on concluding our season with a Spring Recital in either May or June (venue and date based on availability).

**In other exciting news**, we have expanded services to Holmen with a unique partnership with the new Holmen Boys & Girls Club. Holmen, we are excited to start serving your community!

While some of the details of our 23rd season are still developing, this one thing we know: Misty's Dance Unlimited has been here for Coulee Region youth for over two decades. We were here yesterday, we are here today and we will be here tomorrow for your children.

**So, whether you are taking your first class or preparing for your senior year, we say, “Welcome Home!” At MDU, you are family♥.**

## CONTINUOUS PARENT COMMUNICATION SYSTEM

MDU uses a "green, yellow, red" system of continuous parent communication regarding the status of classes which can be found in the top right-hand corner of our website and social media.

- Green indicates to attend face-to-face classes as usual.
- Yellow indicates a cautionary change to service delivery, so please check your email.
- Red indicates clients should stay home and attend class online.
